PROFESSIONAL PROFILE

Dedicated and results oriented Cum Laude Computer Science graduate (degree conferred, awaiting ceremony) with a strong foundation in core programming languages including Java, C#, SQL, and more. Combines academic excellence with proactive skill development, evidenced by independently pursued technical certifications. Passionate about AI technology and problem-solving, eager to apply my skills to real-world projects. Proficient in software development methodologies, Agile and Scrum, and experienced in collaborating with teams to deliver high-quality solutions. Seeking a challenging development role to further develop my technical expertise and contribute to innovative projects.
